Oct 28-Nov1 Week 1

Hello Families,

Big news! We are getting our playgrounds replaced. HRM is responsible for building and maintaining playgrounds. Both will be replaced in the near future. You will notice that the back playground is removed and we now have construction fencing blocking the area. This will stay until the first playground is completed. This will be repeated with the second playground. We are excited to hear it will be more accessible and updated.

Thanks to HRM!

Hot lunches will start on Monday. We expect some bumps but it is going to be an exciting change. Always happy to have feedback on the delivery and the food. Halloween is this week! Details on pg 2. Thanks for everyone who came out to the PTO Halloween dance. It was a great night.

Let's have a great week!
