

JOSEPH GILES ELEMENTARY

Safety. Kindness. Patience. Making Connections

March 31- April 4 Week 1

Hello Families,

Report Cards & Progress Conferences

Report cards will be sent home by email on **Tuesday, April 1**. To discuss your child's progress, we invite you to attend our **in-person conferences** on:

- **Tuesday, April 2 (Evening)**
- **Wednesday, April 3 (Afternoon)**
Families can begin booking appointments starting **Monday, March 24** at <https://parentinterviews.com/josephgiles/>.

Spring Weather & Extra Clothes

With spring's arrival, we are seeing a mix of chilly mornings, warmer afternoons, and lots of mud! Please ensure your child has a **change of clothes** and **appropriate layers** (jackets, hats, sweaters). While we encourage students to make choices based on the weather, we will step in if needed to keep them comfortable and safe.

Nut-Free Reminder

A reminder that we have students with **severe nut allergies** in our school. Please ensure all lunches and snacks are **nut-free** to help keep our school a safe environment for everyone.

World Autism Awareness Day – Wear Blue!

On **Tuesday, April 2**, we will recognize **World Autism Awareness Day** by fostering inclusion, understanding, and support for individuals with autism spectrum disorder (ASD). We encourage everyone to **wear blue on Wednesday** to show support and promote acceptance. Together, we can create a community where all students feel valued and celebrated!

Take care,

Mr Fry

Principal
