

JGES SAC Notes Tuesday Sep 26, 2023

Attendance: Aaron MacDonald, Matt Melvin, John Fry, Venessa Ewing, Bev Martin, Cathy Brown, Shauna Jamieson

Introduction of SAC members.

- Still need one more parent volunteer
- Have 2 vacant spaces for community member volunteers

Review of finances

- SAC funds are somewhere around ~\$5000. Some numbers will be more updated and detailed for the next meeting (November) so we have a better idea of where we are at.
- Looking into using grants/funds for assemblies, bringing in guests for students.

School Data Plan

- Wellness, literacy and math
 - Math data to be collected, unsure what that will look like just yet.
 - ANS/ Indigenous students - providing our best supports.
 -
- Student Success Survey
 - Focus from the RCE is discriminative behaviour. Want to take a more careful look at the tools kids have to deal with and manage discrimination so that they are better to understand their words and the effects they have on others.
 - Our goal this term is to build connections between home and school as part of student wellness

Lunch Options

- Parent request for other hot lunch options @ school
- Overall feeling was that it would need to be something easy to disperse and not too complicated to eat.

Any other business?

- Next meetings: Nov 27, Jan 8, and Feb 12.
