<p><b><u>Primary &amp; Pre-Primary Registration Month</u></b> <i>If you have a child/children at home who will be age 4 or 5 by December 31st, please ensure that you come in and register them for Primary or Pre-Primary during this Month. If you know of anyone in the neighborhood with school aged children, please pass on this information. Early registration allows the school board to accurately staff schools for the fall, so it is <b>very important</b> that we have <b>all</b> of the registrations in by February 28<sup>th</sup>.</i></p>							1
