

JOSEPH GILES ELEMENTARY

Safety. Kindness. Patience. Making Connections

Oct 5-9

Hello JGES Families,

Thank you for taking part in our virtual Curriculum night last week. If you have any feedback on what worked well or you'd like to change, let me know jfry@hrce.ca.

With more rain in the forecast, please make sure your student comes ready for the weather. We are outside for recess/lunch, and phys ed classes. We feel it's important to get outside to get a break from masks, and more movement for students. A change of clothes for students in all grade levels is important.

It's Mi'kmaw History month in October. It's theme is Honoring the Mi'kmaw Way. We are doing a different Mi'kmaw word each day to celebrate the Mi'kmaw language. Follow us on twitter to see the daily word.

This is a big month for learning at Joseph Giles. We have settled back into school. Families, students, and staff have September under our belts. We are getting more comfortable with our new covid procedures. We have specialists returning to schools. Reading recovery is starting. School psychologists are coming to schools. We will be working this month on matching our students needs, and our supports as they return to schools.

Have a great week,
Mr. Fry

Our Shared Health

We are focusing on proper masks and wearing them correctly around the school. Our students have been doing well with the masks and all the policies. Families, thank you for reaching out when you have questions.

More info on masks:

<https://novascotia.ca/coronavirus/masks/>

Picture Day On Monday

Our picture day is coming up on Monday. We will be keeping socially distanced, and refraining from a class picture. The photographer is using a green screen. It's best to avoid wearing green or solid white.

IMPORTANT DATES

September 29th: Virtual Curriculum Night

October 5th: School Picture Day

October 12th: Thanksgiving (no school)
