

# JOSEPH GILES ELEMENTARY

Safety. Kindness. Patience. Making Connections

**Covid Info Hub**  
**The HRCE has a central website with all the important covid related info for families**  
**[www.hrce.ca/coronavirus](http://www.hrce.ca/coronavirus)**

Hey folks,

## **Dec 7-Dec 11**

Whew! What a week we just had with report cards coming out, and trying out virtual parent teacher meetings. With 2.5 weeks left of school this month, we are looking to keep focusing on our covid-19 procedures, and get ready for online learning if it is necessary.

We are always looking to make improvements. This week report cards went by email links, and parent-teacher meetings were online. If there is something that worked well for you, or something we can work on, please let us know at [jges@hrce.ca](mailto:jges@hrce.ca)

While the cases of covid-19 has started to drop which is welcome news, we are seeing more cases in schools. This means it is important that we are vigilant at home and school with all our safety procedures and monitoring for covid-19 symptoms.

The weather is looking cool this week into single digit day highs and 0 or (-) temperatures with wind chill. Hats, mitts, and jackets will be important. We are moving past hoodie weather.

### **HOME TECHNOLOGY**

We are looking to confirm that students have access to home technology. If you find your home technology isn't working well, we can arrange to lend some. If your child is sharing technology with a parent, or a sibling, we can lend some. Please email [jges@hrce.ca](mailto:jges@hrce.ca) or call 902-462-5184 we need your child's name and class.
