

March 18-22 Week1

FAMILY FORECAST

Safety. Kindness. Patience. Making Connections

Hello JGES Families,

We hope you all had a safe and enjoyable March break, filled with wonderful moments. As we gear up for the final stretch of the school year, we wanted to remind you that there will be no school on Monday, March 18, due to Assessment Day.

Furthermore, report cards will be released on March 28, providing insight into your child's progress and achievements. Alongside this, we are approaching our school-family conferences scheduled for April 3 and 4. We will be sharing a link later this week that will allow you to schedule meetings, providing an opportunity for open communication about your child's learning journey.

Moving into the final term, it's crucial to continue fostering progress, growth, and addressing any outstanding issues. If you have concerns, we encourage you to have the conversation with your child's classroom teacher as they play a pivotal role in your child's academic and personal development. Together, let's work towards ensuring our students' success in Term 3 and beyond.

Important Dates:

March 18: Assessment & evaluation day - no classes

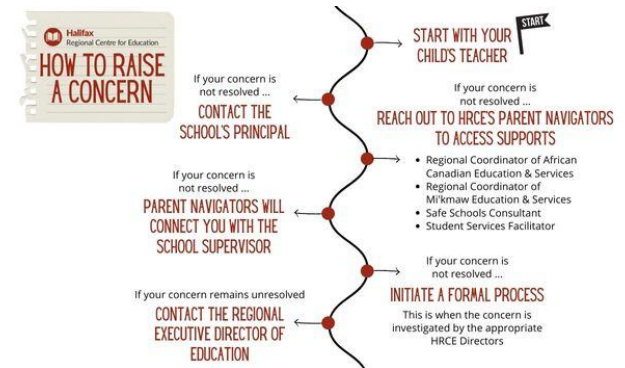

March 28: Report cards go home

April 3: P/T meetings at night

April 4: PD in am, PT in afternoon

March 29: Good Friday - no classes

June 28: Last Day of School

Reminders:

- Reminder that we now have a school counsellor. Parents can also self-refer by email at Meghan.MacPherson@hrce.ca
- Car safety during pick up/drop off. Please be safe even if you are in a hurry or the weather is poor. Please park on the road. Unless you have permission, do not pull up to front doors. **This includes excel pick up and drop offs.** Please ask any family members to follow the same rules.
- Water bottles are important to bring each day.
- We are settling closer to spring which means more rain and mud. Please make sure students have a change of clothes.

Do you know how to raise a concern? Did you know that there's a protocol in place to help families contact schools, or HRCE Central Office, when you have concerns about your student's education or well-being?

-All concerns should first be shared with your child's teacher.

-If your concern is not resolved, you should then contact the principal.

- If your concern remains unresolved, you can reach out to [HRCE's Parent Navigators](#) who can provide information about a wide range of supports and resources or connect you with the school supervisor.

- If your matter continues to be unresolved, you can then initiate a formal review process in which the matter will be investigated by the appropriate HRCE Directors. The final step is for your concern to be passed on to the Regional Executive Director. Click here to view the [Parent/Guardian Concern Policy](#).
