# FAMILY FORECAST

Safety. Kindness. Patience. Making Connections

Hello JGES Families,

Report cards will be released Thursday March 28, providing insight into your child's progress and achievements. Alongside this, we are approaching our school-family conferences scheduled for April 3 and 4. Information was sent home last week on booking appointments. We have in-person appointments on April 3rd and virtual appointments on April 4th. More information can be found at <https://jge.hrce.ca>

The weather is switching from winter-spring temperatures and back again. It is important students have layers, and a change of clothes. Last week we had temperatures at 10°C one day and -10°C with the windchill. There is a lot of mud due to the recent rain around the property. We are making sure students are wearing sweaters/jackets depending on the temps.

I appreciate families reaching out with questions. Often things are in the news and we get questions on how it impacts our school. Please continue to reach out to the classroom teacher, or Administration. We'll do our best to answer your questions and concerns and connect them to our work ensuring we have a safe and positive school environment.

Take care,  
Mr. Fry
