

Joseph Giles Elementary School
Communicating Student Learning
2022 - 2023

Communication is essential to the learning partnership between home and school.

We will communicate with families in a number of ways:

- Regular emails and phones calls
- Classroom communication
- Parent/Teacher conferences
- Report cards

There is a scheduled parent/teacher conference: 10 minute session in December and a 10 minute session in May. This may be done virtually or in person.

The following is Joseph Giles's proposed plan for communicating student learning for the 2022-23 school year:

- December- First Term Report Cards
- December- Parent/ Guardian -Teacher Conferences
- March- Second Term Report Cards
- March -Parent/Guardian - Teacher Conferences
- June Third Term Report Cards

Parents/ Guardians are not limited to these scheduled times and communication tools and are encouraged to make an appointment with their child's teacher at other times as the need arises.

Information Relating to Parent/Guardian Concern

If a matter of concern arises pertaining to a student, or an issue within the school, parent/guardians are asked to raise the issue first with the teacher. If resolution cannot be reached, a follow up meeting will be arranged with the principal.
